SPLENDID SUITES

Carved into tuff in which the region is highly rich, splendid suites with pools are ideal for those who do not compromise on their comfort and romance while staying in a splendid suite. You can also enjoy the outdoor beauties of Cappadocia in the private garden or on the private terrace of your suite.

TASTE TRADITION...

Discover rich dishes made with local products and following ages-old local recipes...
Taste the wines of the lands where viticulture originated... Feast on the delicacies of
Cappadocia's most awarded and most popular restaurant...
The most special dining experience you have ever had awaits you in Argos in Cappadocia.

SEKI RESTAURANT

Seki Restaurant boasts a refined cuisine with a wide range of options from cold starters to slow-cooked meat dishes, artisanal pasta varieties to vegan options, all through region-specific recipes and local produce.

SEKI LOUNGE

From a cup of Turkish coffee after breakfast to a soothing afternoon tea, cocktails that will cool you down on hot summer days to drinks that will set your veins on fire on cold winter days, Seki Lounge's wide-ranging beverage options are at your service all day long.

NAHITA

Inspired and nourished by its Anatolian roots, respectful of its geography, history, and cultural continuity, Nahita, the new star of Anatolian cuisine, harbors the mindfulness that lacks in the new world. Nahita's "good" sense and approach is reflected throughout its philosophy, narrative, service and dishes. Nahita's menu is curated through produce procured from an area of 60 km diameters, where most significant Neolithic Age settlements can be found.

NAHITA LOUNGE

With a profound respect for its geography, history, and cultural continuity, Nahita embraces a wisdom that often seems absent in today's world, infusing this philosophy into its story and dishes. Nahita extends the pleasure of its seasonal flavors to the elegant surroundings of the Nahita Lounge.

Boasting an open terrace with unmatched views of the Pigeon Valley and Mount Erciyes, Nahita Lounge promises our guests an unforgettable outdoor experience, seamlessly blending with the natural wonders of Cappadocia. Infused with local touches, Nahita Lounge's specially curated menu of summer snacks and signature cocktails awaits those who desire to embrace the seasonal narrative.

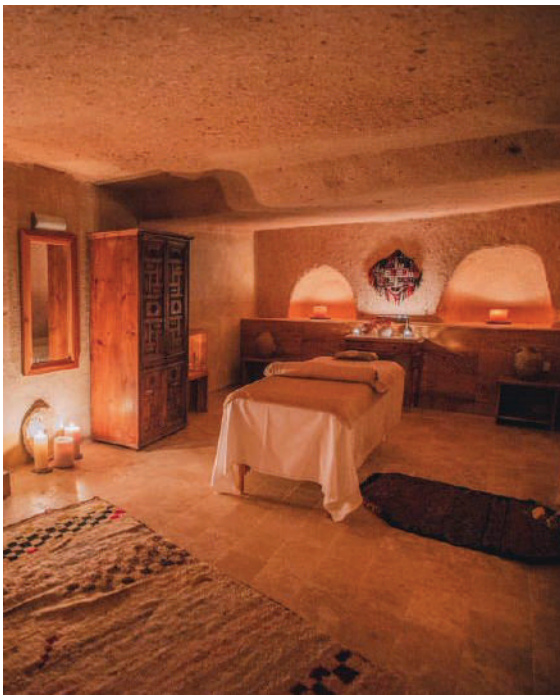

FROM OUR GARDEN...

The vegetables grown in our garden with ethical agricultural practices are among the prized ingredients of our dishes. The fruits picked from a lot of trees in our garden are dried, preserved inside the oldest storage places in the region and served in rooms.

PRIVATE SWIMMING POOL

Enjoy the astonishing views of Cappadocia covered in snow during winter in the pool that is heated for you, or you can cool off in the pool in the summer heat. Regardless of the season, do not forget to pack your swimsuit.

THERAPY ROOM

Located in the heart of one of the largest monastic settlements, consisting of thousands of caves carved into a rock block, Argos in Cappadocia's therapy room enables your soul and body to take a deep breath with its holistic massage experiences. Enjoy a massage in the unique atmosphere of a cave where you can experience the mystical spirit of Cappadocia to the fullest. This fabulous experience will provide spiritual and physical purification through professional guidance and touches.

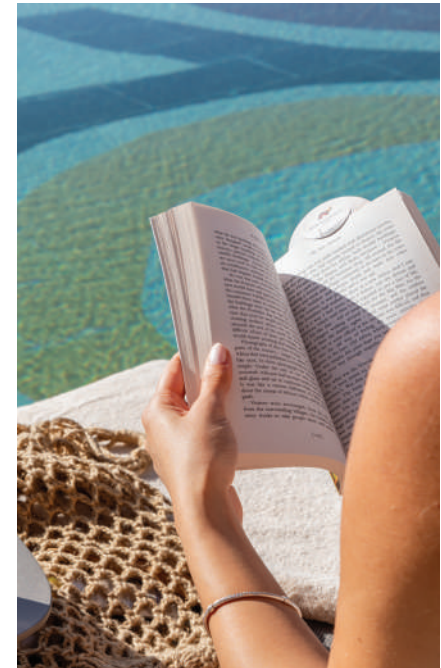

OUTDOOR ACTIVITIES

Numerous outdoor activities from yoga sessions to biking tours, or walks in the valleys to Mount Erciyes ski tours await you for a more active Cappadocia experience.

OUTDOOR SWIMMING POOL

An essence of elegance, Argos in Cappadocia's new outdoor swimming pool is designed to blend seamlessly with the historic surroundings and offers captivating views of the Güvercinlik Valley and Mount Erciyes, creating a refreshing retreat and complementing the experience with its exclusive menus of delicious snacks and signature cocktails.

A photograph of a large, vaulted underground chamber, likely a historical site in Cappadocia. The chamber features a prominent, thick, cylindrical central pillar. The walls and ceiling are constructed from light-colored stone blocks, forming a series of repeating arches. The floor is polished and reflects the ambient light. In the foreground, a glass-enclosed pool or walkway is visible. The lighting is warm and focused, highlighting the architectural details. The text "AUTHENTIC EVENT VENUES OF ARGOS IN CAPPADOCIA..." is overlaid in white, sans-serif font at the bottom of the image.

AUTHENTIC EVENT VENUES OF
ARGOS IN CAPPADOCIA...

BEZİRHANE

Previously used to produce linseed oil, Bezirhane has served various purposes in its 2.000 year history, from a monastery to a caravansary and is now used as a venue for various events or private dinners...

CHAPEL

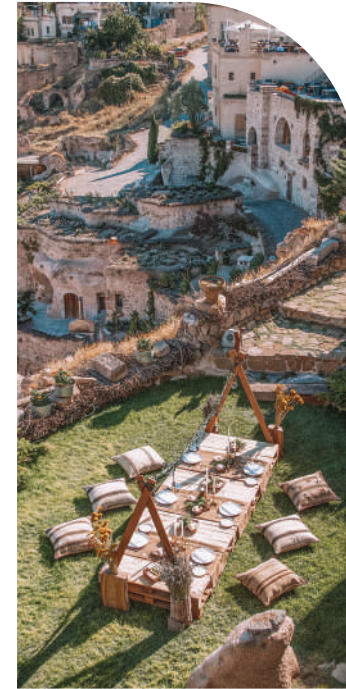

Having served monks thousands of years ago as a place of worship, Chapel one of the historical places Argos in Cappadocia brought back to life, is now one of Turkey's most impressive event venues and the ideal option for magical dinner nights.

MUSEUM HALL

As one of the locations that Argos in Cappadocia has restored back to its old prime and a project recognized by the Chamber of Architects with the Building Protection Award, Museum Hall can be used for many purposes, from dinner parties to shows.

MONKS

Built on the terraces on the slopes, Monks offers a breathtaking view of Cappadocia and the fairy chimneys. It is a unique place for parties or celebrations on lush green grass, which is a rare sight to see in the region.

VADI

A journey of art under the stars...

Vadi; a lush green area under the endless sky, in one of the world's largest monastic settlements, Uçhisar, consists of thousands of caves, carved into a huge block of rock. It is the perfect venue for concerts and memorable events under the stars with its mystical vibe, natural acoustics and fairy-tale atmosphere that will be etched in memories.
